Good Afternoon George:

Thanks for your email and inquiry/request. I will ask Mary Beth to add you on our email list if you are not on it already. I can't remember if you came to the July 17, 2013 Board work session kick-off on the 2016 plan update because Issue Paper #1 was distribute at that meeting. You can access the material on our web site at [www.commplanning@clark.wa.gov](http://www.commplanning@clark.wa.gov). On the page it may say "White Paper". You will also be able to see the PowerPoint presentation. Please, if you are not able to get it let me know and we will email the documents to you. Our next step is for the Board to pick a countywide population number for the 2016 plan update. No date has been set for that. Thank you and have a great weekend.

Best- Oliver

Oliver,

I downloaded the draft of a news release dated 11/4/2013. In it I read that e mail information would be sent to those wishing it. I wonder if there is a list being made up if my e mail address [gvar@comcast.net](mailto:gvar@comcast.net) could be added.

Also there was mention of an "Issue Paper #1" being distributed. I wonder if I could get a copy of that e mailed to me.

Finally, in the future rather than take up your time with these kinds of requests, is there someone I should direct them to?

Thank you,  
George Vartanian
