BUTTTT, I had lunch with Mark McCauley today and he mentioned that you're going to be discussing redevelopment potential for Tri-Mountain soon. We're interested in participating in that conversation with an eye towards increasing your value and redevelopment potential of Tri-Mountain by bringing it into the Ridgefield UGA. If those discussions go somewhere, then we'd obviously want to talk about what that means for the 2016 map.

Thanks, and hope you're all enjoying the Summer.  
Steve

Dear Oliver,  
Attached is a letter from the City of Ridgefield outlining the City's proposed UGA for the 2016 Comprehensive Plan Update. At this time, the City is not requesting any UGA expansion.

Thank you,  
Elizabeth
