Comments:

Whipple Creek SDA Church 302 NW 179th Street Ridgefield Washington 98642 is respectfully requesting a zone change from multi-family to commercial for our property. Why? We would like to have a digital church sign which would identify our church and also communicates activities at the church for the community. A multi-family zone cannot have a digital sign.

Currently on two sides of our property it is zoned commercial. Thank you for taking this request and considering it.
