Subject: Question Regarding Proposed Zoning

Hello!

I got one of those pink slips in the mail regarding proposed changes to our land's zoning. AG-20 to AG-10. I'm searching all over the Clark Co website and cannot find any reference or definition of AG-10. Can you please tell me what this means, and if it is a brand new designation for this county? And reasons behind a recommendation that would change our land zoning from AG-20 to AG-10?

Thanks in advance for the info.

Best,
