Parcel No: 205384000

Subject: We need to be 5R not 20R.

Comments:

As you can see this parcel is part of our Ahola Grandparents Homestead received in approx. 1895. It is still almost totally owned by their Ahola descendants. The 49 acres owned by us 3 sisters needs to be broken up now so we don't have to own it together and leave a legal mess for our children. this land is always only select logged and will remain so. We need 5 acre pieces not 20 acre as you propose. Thank you, Alina McElveny
