See below. I currently have the packet of comments from the open houses. If you need them back they're in my index inbox. I'm not sure what you're doing with them as far as the website.

Where are the comments that were voiced during the open houses? I don't Mrs. Kay Dalke's comment about nonconforming lots, and my question concerning that the rural lands are limited to a single plan. We need more alternatives addressing rural citizens and their needs.
