RE: Proposed Zoning Changes for Parcel Nos. 230277000 and 230282000.

Dear Sirs:

We concur with and support the written comments submitted by Carol Levanen at the open house meeting on 10/29/14.

It would be an injustice if Clark County were to ignore the established small existing parcels and attempt to zone them as FR-20.

Our parcels Nos. 230277000 and 230282000 are situated south of the first standard parallel north near Yacolt Mt. Prior to the Growth Management Act these parcels were zoned R-5. There are 5 brothers and sisters in my generation in my family. Each of us should be allowed to build a home for each of us on the family tree farm and also grow timber. All of the parcels across Yacolt Mt. Road and immediately south of our tree farm are 5 acre parcels with homes. It is an alienation of my property

rights if Clark County attempts to prohibit us from building homes for ourselves on the property which has been owned by our family for almost 60 years. There are more than 12 homes near our property.

We know that Assessor's Parcel Account No. 230282-000, Tax Parcel No. 18 is a legal buildable lot or parcel as it was established as a separate parcel in 1948.

The following is an excerpt of the legal description for Assessor's Parcel Account No. 230282-000, recorded under Auditor's File No. 4866391 D on 6/25/12:

"This parcel is a legal lot. This parcel was created in 1949 when Clark County constructed Yacolt Mtn. Road, (re: Right of Way Deed, September 1, 1948, recorded under Auditor's File No. G08949, Book 448, Page 580) formerly known as Kelly Hill Road, said road construction in 1949 caused this parcel to be physically separated from the major portion of the SW 1/4 of the NE 1/4 of Section 5, T4 North, R3 East, WM. Subsequently, for this parcel, Assessor's Parcel Account No. 230282-000, Statutory Warranty Deed was recorded under Auditor's File No. G620280, image No. 849748, on December 4, 1972, and is that portion of the NW 1/4 of the SW 1/4 of the NE 1/4 of Section 5, T4 North, R3 East, Willamette Meridian, described as follows:

The distance measurements describing the legal dimensions of this parcel are according to the bearings taken, distance measurements made, and property line stakes set by the L. L. Knight survey of 1947. Along the parcel property lines established and marked by the L. L. Knight survey, the West property line fence was constructed in 1948 and the East and South property line fences were constructed in 1949. Thus the property lines of this parcel were established by survey and have been marked with property line fences since 1948 – 1949." (for further legal description refer to deed).

It is requested that the above described parcels be zoned for 5 or 6 acre family home sites which allow for growing timber.
