Subject: Need open house in north

Comments:

Alternative 4 impacts the future designs of many rural land parcels. Clark County should conduct at least one open house near the citizens that could be impacted the most. Most of these citizens live in the northern most reaches of the county. The county could better accommodate the many rural citizens at La Center High School, the Battle Ground Community Center near the Little League ball fields, or the Clark County Fire and Rescue station at the Pioneer Junction off I-5 in Ridgefield. Please amend the schedule to include at least one more open house to properly present Alt. 4 for discussions.
