Gordy,

Nice job on the flyer. I have no edits to offer, just one recommendation.

Page 4, under station 6, Rural Zones – has the “Eliminate R-20 zone” in red. I assume that all text will be normal in size and color and that this will be corrected.

I plan to be there to explain and discuss Alternative 4 especially.

We should have the maps finalized today and posted on The Grid.

Thanks

David
