Hello Mark, Greg, and Chris:

I listened to the public comment from Mrs. Carol Lavenen at the BOCC public hearing of 5-5-15 and thought that I should let you that we do have a process for public comment/record index. We used the process in the past with no issues and we are currently using it.

The comp plan index is very important to me and my department. I have asked the two ladies to come in and identify any comment submitted to Community Planning at open houses/public hearings that are missing. They have not taken me up on the offer. I am hopeful that the Board will approve my request to increase the current .5 FTE to a 1 FTE. That will provide capacity/resources to deal with numerous public record requests and comp plan and other related projects. Please, let me know if you have questions. Thanks in advance.

Best Regards,

Oliver
