RE: Acknowledgement of request for consideration through the 2016 Comprehensive Plan Update for Tax Serial number(s): 191076000

Dear Mr. and Mrs. Snyder:

Thank you for your interest in the Clark County Planning process. We have received your letter requesting your property be considered for a comprehensive plan and zoning change through the 2016 Comprehensive Plan Update process.

Your request appears to involve an amendment to Alternative 4. In that alternative the adjacent properties to the west of the properties identified above are proposed to go from an R-5 designation to an R-1 designation. The property described above is proposed to remain R-5. Any amendments to Alternative 4 will be made by the Board of County Councilors.

For more information on the proposals under consideration for the 2016 Comprehensive Growth Management Plan update please visit our web page at: <http://www.clark.wa.gov/planning/2016update/index.html> and subscribe to our Comprehensive Growth Management Plan email list where we will be sending out press releases and meeting notices. You can also look to your local newspapers for press releases and meeting notices.

If you have any questions or concerns please contact Jose Alvarez, Planner III, at 360-397-2280 ext. 4898. Again, thank you for your interest in the Planning process.

Sincerely,

Oliver Orjiako, Director  
Community Planning
