Subject: Comprehensive Growth Management Plan alternatives comment

To: Clark County Council

My husband and I moved to Clark County in mid-May this year after being away from the Portland/Vancouver area for twelve years. As you can imagine, we are shocked by the increased amount of traffic coming and going over both the Interstate bridge and the I 205 bridge. Therefore, Alternative #4 should not even be on this list until the WA/OR transportation plan is seriously addressed!

#3 looks like the best alternative at this point to create more area for the cities of Battle Ground, La Center, Ridgefield and Washougal to expand and promote business development since "no-action" would still create more lots without specifically addressing the needs of these towns.

Thank you for this opportunity to comment prior to your decision.
