Oliver,

To ensure that I do not place your department in a hardship situation, I checked with J2 this morning. They informed me that they have not yet received an order to print anything yet. They also said that they should be able to print the poster boards or whatever you need with no problem in time of our open house as long as you don't wait too long placing your order this morning.

I am thankful for the time over the weekend that allowed these documents to be optimized for today's open house.

I can help in any way possible to support you. That includes being willing to go pick up the materials at J2. Also, if you wish, we can print out the Planning Assumptions Choices Rev 1 08 handouts here on the 6<sup>th</sup> floor.

Please let me know how I can be of service. Thank you,

David

Good morning Councilor:

I will work with staff to see if we can turn these because the poster boards are done by outside firm (J2). The documents you emailed to us came in after 4:00 p.m. on Friday. Not enough time to work with the Print Shop but we will ask. Thanks.

Oliver

Oliver,

Please use the files located here for this evening's open house:  
J.\Comp Plan Update Docs

They have been simplified, polished, and made higher resolution over the weekend to replace the versions I sent to you on Friday.

If you already printed Friday's versions, I apologize and will ensure that we have the updated materials in our hands in time today including two 20 x 30 poster boards of table 1, table 2, and graph 1.

Please contact me as soon as you are available so that I may ensure that you have all that you need to succeed. I am very appreciative of your help and support.

David
