Comment

The information should be presented in a nonpartisan, impartial manner by staff, not lobbied by ~~the~~ a single councilor. It is very confusing not to be able to have a side-by-side comparison with the original Alt. 4 and analysis via a draft EIS.

Please send me the staff redlined copy of the information presented tonight.

Proposed B relies on assumptions about what may likely develop and has not been vetted. Please support Planning Commission recommendation of last month.

Thank you for your consideration.

Thank you for taking the time to participate in the Comprehensive Plan process. We appreciate your input and will use it to ensure that your Comprehensive Plan includes issues of importance to our community.

Our property is on 169th St. and 41st. It is currently zoned A₂-20. Plan B would upzone to A₂10. We would like to retain the A₂ 20 designation.

This property was jointly owned and my sister-in-law killed out the survey to upzone. We own the property outright now and do not want to upzone. Thank you
