Comment:

The urban holding and urban reserve overlays need to be reviewed. The properties that have been bordered with these overlays over 5 years need to be identified. If the overlays were imposed over 5 yrs. ago, this is using the overlay as a zone... This is an illegal use of the overlay tool!! The overlays were intended for temporary use only... per CMA guidance. Without a review and removal of the overlays, the properties would be imposed on 50 years. This is a violation of their property rights.
