Sheñañigans happen The competition has been fierce

"Trust the staff. They are the experts " - Trust, but verify

"That fact checking process has been an eye opening experience that revealed that the numbers reported by planning staff were, in fact, agenda driven GIS staff has been a fabulous help and a reliable source of uncompromised truth. That truth revealed planning assumptions used by the planning staff, significantly changed the tallies reported to the councilors to achieve a political agenda "

David Madore Don Railsback, this was before my time Clark County Citizens United says they were told by staff that they would act as the judge ordered They never did, and the clock ran out

A (writ of) mandamus is an order from a court to an inferior government official ordering the government official to properly fulfill their official duties or correct an abuse of discretion

Generally, this type of indirect appeal is only available if the party has no alternative means of seeking review <https://en.wikipedia.org/wiki/Mandamus>

Mandamus - Wikipedia, the free encyclopedia

Mandamus is a judicial remedy in the form of an order from a superior court,[1] to any government subordinate court, corporation, or public authority—to do (or forbear from doing) some specific act which that body is obliged under law to do (or refrain from doing)—and which is in the nature of publi
