Dear Ones;

Please, please let the Alternative 4 go thru,. We have children and grandchildren, which are yours and our future taxpayers. Also they are the ones to take care of us all.

So for there sake, please, THINK!!

This<sup>is</sup> very important to us rural people.

Someone in the county changed our zoning without our consent, We would like to be heard,...

WE STILL HAVE A VOICE, HOPEFULLY WE STILL HAVE FREEDOM!!!!

Thankyou so much for reading thhs note.
