Subject: Comprehensive plan

We are landowners with two 20-acre parcels and three children, each with one 20-acre parcel in Brush Prairie. We are very concerned with the current proposed plan. Please remove language regarding "Ageing Readiness and Growing Healthier Reports" and replace existing Preferred Alternative that includes Alternative 2 with the Nov 24, 2015 Preferred Alternative that included Alternative 4. We oppose the cluster concept now planned. Please also correct all agricultural and forest maps to reflect true resource land and mandates of GMA.

In 1980, we built & placed a home on what could be 2-1/2 acre lot thinking that surely we could sell 2-1/2 acre lot or save for one child. Now, 36 years later, there is still no consideration for 2-1/2 acre lots. It's a shame how families & children are crammed in homes with no yards in which to play!

Thank you,
Larry and Karen Plitt
