**Subject:** Ag Zoning policy

We are owners of a 20 acre parcel in Dollars Corner. We support retaining current 20 acre zoning sizes. The forced 10' acre re-zones will increase tax burden and force fixed income elders off their land and will cause overall loss to rural lifestyle and nature of Clark County. If someone wants to re-zone to smaller plots, this should be done on a case-by-case basis rather than as a policy.
