I know this is 8hrs. Late. I heard a man speaking at the meeting last night, about his contact with Julie Olson. It almost sounded like my story, the part oboist Clark County telling me to get approval from, and Brian Stodgrass it's OK with him, as long as Clark county brings our 20 acres into the UGB. I'm alittle like a dog chasing my tail. I,be talked to Olivior, Gourdy,Jose, last planning Pat, One on one with Tom M, Davib M, Craig G., Betty Sue M. Told me I would be happy with the out come of the 2004 Plan. The property came in, to lose to a appeal 2 mo this latter.

My goal is to be zoned light industrial before I move on. I dont know if my heirs could keep this up for another 10 years!! My neighbors to the on the south .(Gogglins) are light industrial,and my North side borders Laglers.
