Message Subject Planning Commission Recommendations  
Parcel Number

Comments I strongly support and agree with the Planning Commission's decision on June 2nd to deny Item 1b, 1c, and 1d under the Rural section of the Comprehensive Plan Decision Table. As stated in comments I have submitted throughout the comprehensive plan update, I have many concerns about reducing minimum lot sizes for AG, FR, and R parcels. I also agree with the Planning Commission's decision to deny clustering of parcels as proposed in the Comprehensive Plan Text, along with denying related Title 40 changes for the reduced parcel sizes and clustering. I watched the CTV coverage of the Planning Commission deliberations on June 2nd, and I was very impressed by most members' understanding of the impacts of the above proposed changes and their sincere concern about how they would impact Clark County.
