Greetings,

We really enjoyed getting together in Ridgefield today. As promised, we're forwarding several documents for your review:

- BOCC Jan 21 presentation – very similar to our Dec. 2013 BOCC worksession. We really hope to see a representative from the city to participate at the BOCC Hearing (10am).
- BOCC Jan 21 Public Participation Plan
- BOCC Jan 21 Issue Paper 2 on Population
- Commerce checklist
- Countywide Planning Policy draft changes
- WSAC legislative list for the 2014 session – there are a number of GMA bills to keep an eye on.
- Scott Bailey's letter on job forecasts in Issue Paper 1.
- Preliminary comp plan scope/schedule – very rough outline and subject to lots of changes pending BOCC progress. Information only for our discussion. Please do not distribute until we get a more complete accurate version.

Please tentatively block out **Friday, February 14 from 10-12** for our next meeting on your calendars. As soon as we can confirm date and time for our next meeting we will send out a meeting notice. Hopefully Mitch will be able to host.
