Hello Anna:

I believe this information can be provided. I will forward the request to Clark County GIS staff. I will copy Ken and Bob. Please, let me know if you have questions. Thanks.

Best- Oliver

Oliver, Carol Levanen, Ex. Secretary with the rural lands group CCCU is asking for a packet of all Clark County Township maps (not including city urban boundaries). She stated that each map should reflect the existing zoning and an overlay of parcelization. (sp? Her word)

Can that be provided to her?

Is there an online source I could direct who to that would provide what she is looking for?

Thank you,

Anna Miller
