Subject: Clark County Comprehensive Plan e-mail notification list
Date: Monday, March 17, 2014 1:41:31 PM

Good afternoon!

In following up from last week's NACCC meeting presentation, I have added all of the Neighborhood Associations that I have contact information for to the Comprehensive Plan update list.

This list will receive notifications for all news releases, open houses, Planning Commission, and Board of Commissioners events that are part of our discussions and planning for the 2016 Comprehensive Plan update.

If you would like to be removed from this notification, please respond to this email with "Unsubscribe" in the subject line, and I will remove your contact information from this list. Also, if the Neighborhood Association contact person has changed, please reply and let me know so that I can update our listings.

Thank you for your interest in Clark County!
