Subject: WWGMHB appeals

Just a Clarification. In reviewing the hearings board decisions, I noticed the HB indicates Achen v Clark County 1995. That is actually incorrect, because that is the CCCU appeal. When Glen Amster was filing our appeal, the hearings board was very wishy washy over the dates required for filing. We did not want to miss the deadline, so Glenn asked if we knew someone who we could use to assure we met the criteria. Mike was available and was willing to have his name added to CCCU's. He is a supporter and member of CCCU. So the appeal name became Achen-Clark County Citizens United, Inc. But, the HB shortened the name to just Achen.
