Open houses to gather public input on scope of growth plan update

Comments at this stage to frame environmental impact analysis

Clark County is holding four open houses about planning for development and studying potential impacts as the next step in updating the local Comprehensive Growth Management Plan. All open houses are 7–8:30 p.m.

- Tue., Aug 19 Vancouver Community Library, 920 C St
- Wed., Aug 20 Lacamas Lake Lodge, 227 N E Lake Road, Camas
- Wed., Aug 27 Ridgefield Community Center, 210 N Main Ave
- Thu., Aug 28 Battle Ground Community Center, 912 E Main St

Anyone may attend an open house to learn about the county’s ongoing effort to plan for an additional 132,000 people and 91,200 jobs by 2035. However, the current focus is on determining what will be included in a formal analysis to supplement an environmental impact statement used to update the growth plan in 2007.

The county is considering options that include:

- No change from the 2007 plan.
- Changing some land uses planned in existing urban growth areas.
- Expanding urban growth areas around Battle Ground, La Center and Ridgefield at the request of city officials.
