Address: 30341 NE Chandler Rd. La Center

Open house location: Ridgefield

Comment:

- Resource & rural lands have been neglected in past updates.
- Had to revisit rural & resource lands
- No meta data attached to county's land use plan maps -
- No definition of "prime ag." and prime forest soil. How does the county define these?
- No soils maps attached to land use maps in meta data "created by planning staff, aerial photography, assessment data" is not sufficient
