Mr. Welch,

The difference between FR-40 and the proposed FR-20 is that the FR-40 has a 40 acre minimum parcel size whereas the FR-20 will be a 20 acre minimum parcel size.

Subject: summary of impact

Dear Staff:

I live on property ID 254000000 and adjacent ID 253935000...

I see the possibility of changing our zoning from

FR-40 (current) to FR-20 (proposed)

Do you have a document that summarizes the salient differences between the two?

Thank you.
