Subject: Proposed changes in zoning

Dear Planning Commissioners:

We are in agreement with the proposed changes to reduce the current zoning R-20 to R-10. We feel we can be just as good stewards of our land with the decrease in acreage. We are surrounded by smaller lot sizes and believe we should also have the right to reduce the size of our property to be in keeping with the rest of our neighbors. Thanks for your consideration of this matter.
Sincerely, Wayne and Patricia Torjusen
