We have lived at 19115 NE 42nd Ct. for close to 25 years and have watched areas adjacent to our neighborhood, especially to the south and west, develop into smaller parcels, either higher density or 1/2-2.5 acres. As we age, we want the ability to sub-divide our property into a smaller parcels, 1 or 2.5 acres so that we can stay in our community while downsizing into a smaller, one level home. This property is part of our retirement and we never imagined that 25 years later as the North County developed we would still be considered rural 10 or even five, zoning which is inconsistent within our same 20 block radius. Many of our neighbors feel the same. Its seems reasonable to re-evaluate our zoning, which apparently was dubbed R-10 but since the late 80's has actually been R-5. With growth around Legacy Salmon Creek hospital and WSU-V and major road expansion to the north, it seems more prudent to zone our neighborhood at 1 to 2.5 acres, instead of just stamping at the same zoning it has been since 1987 when most of the houses were built on five acre parcels. We would very much appreciate you consideration of rezoning us to reflect growth needs and our desire to use our property in a way that will allow us to stay in our community.
