Hello,

My Mom, Dolores A. Hunt, resides at

214 NE 394th St  
Woodland WA 98674      256289-000

For many years she has been restricted to her 20 acre minimum. She would very much love to be able to divide her land into two 10 acre parcels.

Will this soon be something she can actually do - without huge expense?

Please send me whatever information you can provide, or feel free to call me at

503-327-5724

Thank you and best wishes,

Daniel Hunt
