## Open houses will expand scope of growth plan study

### Public hearing will be held April 14

The Board of County Councilors has added a fourth alternative for consideration in the environmental review needed to update the local Comprehensive Growth Management Plan.

Three alternatives were approved for environmental review in the fall of 2014: No change, changes

to long-range planning for some rural and urban areas, and urban growth boundary changes for smaller cities.

The new alternative, approved for study March 11, considers changes to land use plans in rural areas. Information about all the alternatives will be presented at two open houses, both from 5:30-7 p.m.: Wednesday, March 25 at Ridgefield High School,

2724 S. Hillhurst Road and Wednesday, April 1 at Hockinson High School, 16819 NE 159th St.

The Board will hold a public hearing at 10 a.m. Tuesday, April 14 at the Public Service Center, 1300 Franklin St., in Vancouver.
