Comment:

Stop eating up the land. No more Urban sprawl. Go up. Build higher rises with parks if you must have more "population growth." Do not destroy existing forest and small farms (5-10 acres) with urbanization. Keep Clark County rural. Do not allow urban expansion by eating up the land. Build up, not out. Do not make the same mistake that LA did. Cities do not "need" to grow bigger. They need to build up—not out.
