Good morning Eric:

Thank you for your email and inquiry. We will be scheduling a work session soon with our councilors to get direction. It is likely that they may reject the language as proposed by the City of La Center, suggest deletion all together, or to amend it. So, watch out for a work session invite soon. We welcome a meeting but you will agree that a meeting to discuss this important policy without any direction from the Councilors will not be productive. Please, let me know if you have questions. Thanks for your patience.

Best Regards,

Oliver

Hello Oliver,
I hope you are well.

I sent the email below to Laurie not knowing she is out of the office.
Are you able to provide any feedback regarding my question?

Thank you,
Eric

Laurie,
During the April 22nd La Center City Council bi-monthly meeting I will provide a monthly update on the GMA process. I am sure to get a question about CWPP 1.1.19 and the proposed meeting to discuss the same.
What news may I pass on to the Council?

Thanks,
Eric

Hi Eric,

I wanted to update you on your request to change the current county comprehensive plan policy language 1.1.19 regarding the casino.

We are working to get direction from our attorneys and also from councilors.

We will contact you as soon as we receive direction.

Laurie
