Subject: Fw: CTED - Citizens participation - Community vision - For the record and 2016 Comp Plan update

The Soils for Septic Sewer Systems map, in the 2016 Comp Plan update proposal, had no meaningful public participation and process. The same is true for the proposed Safe Food Element proposal discussed in 2012 and brought forward for adoption in 2015 for addition to the 2016 Comprehensive Plan.
Sincerely, Carol Levanen, Ex. Secretary, CCCU, inc.
