Subject: Planning Commission Staff Report for the November 19, 2015 public hearing

Good morning Councilor:

Per our Clark County code 40.510.040 (C), it says that "at least fifteen (15) calendar days before the date of the first hearing, the responsible official shall issue a written staff report, SEPA evaluation and recommendation regarding the application(s), shall make available to the public a copy of the staff report and consolidated SEPA evaluation for review and inspection, and shall mail a copy of the consolidated recommendation to the review authority. The responsible official shall mail or provide a copy of the staff report at reasonable charge to other parties who request it".

This is to let you know sir that this Wednesday is the deadline to issue a staff report. Please, let me know if you have questions. Thanks.

Best,

Oliver
