Subject: Methodology for rural VBLM Assumption 3

Oliver,

The methodology and basis for one of the assumptions is now available here.
K \GIS\BOCC\Madore\Methodology for rural VBLM Assumption 3

Please share this with ESA and Thorpe asap for their analysis.

I am working to provide the methodology and basis for the other assumptions on Monday

I welcome your feedback Please let me know if there are any points that I can better address

Thank you,

David
