Capital Facilities Planning
Stormwater Facilities
January 6, 2016

Purpose:
Initiate coordination to ensure the Comprehensive Plan Update adequately forecasts stormwater facilities inventory, needs, costs, and funding forecasts for the Capital Facilities Plan.

Background:
The Growth Management Act (RCW 36.70A) requires that the capital facilities element include an inventory of existing publicly owned capital facilities, a forecast for the future needs for new or expanded facilities and a six-year financial plan. The GMA defines public facilities to include water, sewer, stormwater, schools, parks and recreational facilities, law enforcement, and fire protection.

Timeline.
June 30, 2016-State deadline to adopt Comprehensive Plan Update
February 15, 2016-Capital Facilities Plan Completed for Public Review

Need:
Consistency with the Preferred Land Use Alternative and the Stormwater Management Plan
