If there ever was a time when citizens should engage with their citizen representatives, this is that time. I encourage each rural citizen to invite their neighbors and help each county representative to hear your concerns so we can faithfully represent your wishes.

Also call and email the three councilors who may otherwise not feel that they should participate. Call 360-397-2232 and invite them and email if you want them to listen to you. Tom Mielke, and I plan to be there.

The others can be emailed at:
Jeanne.stewart@clark.wa.gov
Julie.olson2@clark.wa.gov
