On January 13, 2016, the Board had a work session to review the planning assumptions for the preferred alternative and the Board decided that it will to revisit the preferred alternative. The purpose of the hearing will be to review and reconsider the Board's selection on November 24, 2015 of a preferred alternative under SEPA and, if necessary, to consider adoption of proposed corrections to the map for revised Alternative 4 and to take public testimony concerning the matter or matters being considered.
