Subject: Alt 4 Hearing at Prairie HS  
Message  
Counselors Boldt, Stewart, and Olson,

As a rural land owner (of several non-buildable parcels) and a taxpayer, I am very angry that you are considering revoking the Alt 4 plan that has been proposed and worked on for a long time, and will right a wrong done by county staff and previous county commissioners for decades

I will be there to express my views and how rescinding it will negatively affect my family (and our community) for years to come. If you are considering revoking ALT 4, then YOU need to come and hear from the people who it affects! I understand counselor Olsen has been planning on attending; thank you. But I haven't heard commitments from Mr. Boldt and Ms. Stewart

Sincerely,

Kirk VanGelder  
Irate citizen, taxpayer, and voter
