Chief Swinhart,

Can you please confirm that the paragraph below is accurate. If changes are needed, please let me know the correct language.

City of Camas's Camas-Washougal Fire Department's CFP indicates that for the proposed expansion area in the ~~October 24, 2006~~ February 23, 2016 map will cost an additional \$3.5 million over the next 20 years to provide fire service and require an additional fire station and fire and EMS apparatus. The total 20-year cost is \$5.8 million.

If changes are needed, please let me know the correct language.

Thanks,

Matt Hermen
