Clark County Councilor Madore CVTV Video Interview:

This week was my turn to share current news with our community. It was a privilege and fun to cover all these topics:

- * Running for re-election
- * Consent of the governed and the valid role of an elected representative
- * Collaboration
- * Going along to get along vs. fighting to defend citizens' rights
- * The roles of captains and crew
- * The 20 year Plan that's obsolete before it starts
- * Trust but verify
- * The story behind the truth that doesn't add up, and sorting it out.

I welcome your feedback.

Robert Dean If you don't agree that we need a person like David Madore in every elected seat then don't bother watching this and go ahead and vote for the same old same old.
