As an agent for Clark County, WA, ESA would like to submit the following files as the Final Supplemental EIS for the Clark County 2016 Comprehensive Growth Management Plan Update. Clark County, WA is updating its Comprehensive Growth Management Plan, to be completed by June 30, 2016. The County has prepared a Final Supplemental Environmental Impact Statement (FSEIS) in compliance with the State Environmental Policy Act. The FSEIS will be issued on April 27, 2016. The FSEIS informs the public of the potential environmental impacts of the Preferred Alternative along with possible mitigation measures. Issuance of the FSEIS completes the required SEPA process. Additional information and documentation on the project may be found at <http://www.clark.wa.gov/planning/2016update/alternatives.html>
