Hi Kathy,

Wondering how best to contact someone with a question. I have tried leaving messages a few times for Sonja and Gordie. Not sure they are going through as I have not heard back from them. Left message again today, so hopefully it gets through the automated system at some point.

Just FYI - may be connection issue and not your side, but I have been thrown in a "do loop" a couple of times and not able to get through to anyone to leave message.

I have a question regarding the proposed zoning change in the Mill Creek Area, and since none of the neighbors are aware of this zoning change, I would like to know what is driving it? We spend a lot of time agreeing with the County Commissioners to have a zoning to allow a school (BGSD) and now it appears to be residential and university zoned?

Please advise who to ask about this.

Thanks

Mary Ann
