County councilors to conclude hearings on growth plan update

Vancouver, WA – The Board of County Councilors will meet Tuesday, June 21 to discuss and decide changes to the local growth management plan.

Efforts to update the plan have been in progress since 2013. An update must be submitted to the Washington Department of Commerce by June 30 to comply with the state's Growth Management Act.

Deliberations are scheduled during the councilors' regular public meeting, which begins at 10 a.m. on the sixth floor of the Public Service Center, 1300 Franklin St. The councilors will hear public comments regarding the June 2 recommendations from the county planning commission.

The recommendations and related information are available on the county website at www.clark.wa.gov/community-planning/plan-adoption

County councilors to conclude hearings on growth plan update

Vancouver, WA – The Board of County Councilors will meet Tuesday, June 21 to discuss and decide changes to the local growth management plan

Efforts to update the plan have been in progress since 2013. An update must be submitted to the Washington Department of Commerce by June 30 to comply with the state's Growth Management Act.

Deliberations are scheduled during the councilors' regular public meeting, which begins at 10 a.m. on the sixth floor of the Public Service Center, 1300 Franklin St. The councilors will hear public comments regarding the June 2 recommendations from the county planning commission.

The recommendations and related information are available on the county website at www.clark.wa.gov/community-planning/plan-adoption
