**RE: Comments Regarding the Draft Environmental Impact Statement (DEIS)**

To Whom It May Concern:

Thank you for the opportunity to review and comment on the DEIS, and for the continued coordination between the cities and the county throughout this update process. We value our working relationship with the county and want to commend county staff for their efforts to keep us informed and involved throughout the process.

This letter is to inform you that the City of Battle Ground is in support of Alternative 3 as presented in the DEIS.

Thank you and if you would like to discuss anything further please feel free to contact me at 342-5044 or [erin.erdman@cityofbg.org](mailto:erin.erdman@cityofbg.org)

Sincerely,

A handwritten signature in blue ink, appearing to read "Erin Erdman".
